Innovelec LTD - Manufacturers Agent

CHINT

Empower the World

&

OTHERS

Western Canada

- Oil-filled power transformers: 10-1000 MVA, up to 1000 kV
- Live-tank & dead-tank breakers
- sGIS switchgear
- SF6 breakers
- CT & VT
- Disconnects
- Surge arresters
- Insulators

Vantran TRANSFORMERS

AB, SK, MB

- Oil-filled pad-mount: up to 10 MVA, 34.5 kV
- Substation style: up to 10 MVA, 34.5 kV
- Dry-type: up to 10 MVA, 34.5 kV

OLSUN Electrics
Engineered Transformer Solutions

Western Canada

- Dry-type transformers
- Harmonic mitigating
- K-factor, silica resin
- Hazardous location & drive isolation
- Cast coil & general purpose
- 150-5000 kVA, 600 V-34.5 kV

TRANSMISSION & DISTRIBUTION SERVICES

TDS

LEAK SEAL SPECIALISTS

- Transformer & circuit breaker leak repair
- Oil, SF6 & nitrogen leak sealing with minimal or no downtime
- Custom clamps & low-pressure sealant injection
- Products: transformer cleaner, oil leak detector & repair caulk

TROJAN
DRY-OUT SYSTEMS

Western Canada

- Online transformer oil filtration: gas removal & moisture reduction
- Carbon, particulate & moisture removal from tap changers, breakers & other oil-filled devices
- Regeneration of aged, acidic oil to as-new condition

DILO

AB, SK, MB

- SF6 gas equipment
- Gas handling & testing
- Gas monitoring

Innovelec LTD - Manufacturers Agent

Basler Electric

Western Canada

- Protective relay systems - BE1-FLEX
- Synchronization - BE1-11 series
- Excitation systems - DECS & SGC
- Voltage regulators - DECS & AVC
- Genset controls - DGC2020

NOARK
Excellent Products. Exceptional Value.

Western Canada

- Low-voltage electrical components for industrial applications
- Motor controls
- Circuit protection for original equipment manufacturers

PRIMAX TECHNOLOGIES

Western Canada

- Battery chargers
- Rectifiers
- Industrial utility duty
- DC & AC UPS systems
- Custom DC panels
- Inverters
- Custom power solutions

MEGA POWER SYSTEMS™

Western Canada

- Relay test switches

BX ENERGY SYSTEMS

- Battery Energy Storage Systems (BESS)
- Commercial, industrial & utility-scale
- Peak shaving, load shifting & backup power
- Solar integration & microgrids
- Modular LFP battery storage

TECHNO STROBE™

Western Canada

- Obstruction lighting for tall structures
- Communications towers
- Wind turbines

CROWN ELECTRIC ENGINEERING & MANUFACTURING, L.L.C.

Western Canada

- Design, fabrication & installation
- Isolated-phase bus systems
- Large bus duct systems

The right connection.
